To check the status of your application,
go to <https://www.intercommerce.com.ph>

A screenshot of the InterCommerce website. On the left is a vertical navigation menu with links: home, about us, products, services, ic.customs, client service, message board, and contact us. Below the menu is a login section with a "Login" button, input fields for "Login" and "Password", a "Log In" button, and a "Register" link. The main content area features a large banner with a man in a suit holding a tablet, overlaid with text: "Certificate of Origin", "Data Warehouse", "Single Administrative Document", "EDI Messaging", "Customs Declaration", "Sanitary & Phytosanitary", and "Permits & Clearance". Below the banner is a "WebCWS" section with a browser window showing the WebCWS interface and a text description: "The InterCommerce Web-based Customs Declaration System or WebCWS makes the Customs entry lodgment process - FAST and EASY!".

Send Clearance (front) Clearance (back) Clearance (back2)

If approved, click the reference number and it will bring you to the 3-page SPS permit at the bottom of the page.

Click on the links to be directed to the permit forms. Print the permit, which you will present at the Quarantine station in the airport (Philippines). Please read the other requirements on the permit in order to import meat and meat products to the Philippines.

For further queries, feel free to contact us thru this email or you may call at 920-0816 (Monday to Friday, 8AM to 5PM).
