

PASUGUAN NG PILIPINAS

WASHINGTON, D.C.

EMBASSY OF THE PHILIPPINES

29 April 2013

Dear Kababayan,

On May 13, our *kababayans* back home will troop to polling precincts across the country to select those who they would like to lead them in the local and national levels in the next three years. They will choose who among the many candidates running for the various elective positions deserve their vote.

Like them, overseas Filipinos are also given the chance to choose our leaders. From 13 April to 13 May, qualified Filipinos here in the United States and the rest of the world can elect their candidates for sectoral seats in the House of Representatives and for members of the Senate.

The May 13 elections are particularly important for our country and our people. We need to make sure that we vote only for candidates who we think would be able to help us strengthen our democratic institutions and sustain the economic gains we have made during the past several years.

By now, most of you should already have received your election packets. Please take time to accomplish your ballots and mail these to us at the Philippine Embassy at the soonest possible time. If you still have not received your ballot or if you have other concerns, please email us at vote@philippineusa.org so we could address your queries accordingly. Your vote is important. Please make it count.

Mabuhay ang Pilipinas! Mabuhay po tayong lahat!
